Issue recurring - task #48

date_limit before anchor_date results in exception on recurrence creation/issue display

2023-12-21 02:21 - cryptogopher

Status:	closed
Priority:	bug
Assignee:	cryptogopher

Description

Anchor mode date_fixed_after_close does not properly handle case when date_limit is before anchor_date.

Solution:

- fix case when IssueRecurrence#advance returns nil for date_fixed_after_close right from recurrence creation
- disallow date_limit <= anchor_date as it does not make sense anyway

Associated revisions

Revision f22bea8c - 2023-12-27 01:59 - cryptogopher

Force date_limit to be after anchor_date if set

Closes #48
